Auckland Care Limited

We cater for all age groups with a multitude of needs ranging from physical support to mental Health and Learning Disabilities

We want to listen to your wishes, preferences and desires about the support you require and how you want it to be given to you.

Our staff want to support you to maintain your chosen lifestyle.

We believe that each customer is unique, with their own individual preferences and needs.

So, we keep you in control and provide you with the homecare and support that you want, where and when you want it.

Our view is that it is your life and your care, so it must be your way.

The services we offer

We offer flexible care services for you to choose from. These services could be anything from a 30 minute visit to live in care. Some individuals may want short term help, following an illness or because their usual carer is having a break. Other individuals may want long term homecare and support.

Our dedicated team of home care workers are fully trained to support you with:

- Help with getting up or going to bed
- Personal care
- Shopping
- Meal preparation

- Assisting with medication
- Washing and ironing
- Domestic tasks including cleaning
- Companionship
- Outtings to see friends and relatives, going to social clubs
- Holiday cover for family carers
- Hospital visits
- Dementia care
- Stroke care
- Multiple sclerosis care
- Physical disabilities
- Palliative and end of life care
- Overnight care
- Specialist care i.e. catheters, stoma, PEG feeding
- 24 hour live in care
